THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(SHRI SHRIPAD YESSO NAIK)

(a) to (c): One of the responsibilities of the Department of Health Research (DHR) is to ensure that health-related policies are formulated on informed decisions derived from sound evidence. The Department of Health Research through its research arm of the Indian Research Council of Medical Research (ICMR), continuously develops and implements the research leads which have the potential of being developed into health technologies. A translational research division is already functional in ICMR for utilisation of knowledge network service delivery, medical education and research.
